Board Discussion:

The Zoning Board discussed the current status of the car wash with the applicant, Mr. Freeman stated that he is not the current owner of the property. The current owner will be holding the Note and Mortgage.

Chair Murphy asked the applicant if he is aware of how the Village metered water billing works. Mr. Freeman stated that he owns a property on Liberty Street and is familiar with the flat rates and understands that there is an additional charge for over usage.

Attorney Bitter went over key points of the application, she stated that the application wasn't complete, however the letter provided from the realtor was a great start.
