## **BUDGET MESSAGE 2014-2015**

The tax rate for this year is \$5.49 per \$1,000 of taxable value, which is the same as last year's tax rate. A significant appropriation from fund balance is planned in order to fund capital equipment purchases while maintaining the low tax rate.

### **PROJECTS:**

Construction of a water filtration plant to service the Village water system and the reconstruction and upgrade of 3.17 miles of distribution lines is underway. This project will be paid for by an interest free bond from the Environmental Facilities Corporation (EFC).

Warren Street will be replaced, along with the water and sewer lines.

A pole barn will be constructed at the DPW garage this fiscal year. The DPW is making plans to have above ground fuel pumps installed at the current DPW building and store equipment in the pole barn, which will allow the Village to declare the former DPW/PD building surplus.

### **NEW EQUIPMENT:**

The DPW will be making several equipment purchases this year to replace aging equipment including: a tandem dump truck with plow; snow loader for snow removal; and an excavator.

### **TOWN FIRE CONTRACT:**

This year's amount: \$319,573.

An assessment based model is used to calculate for the cost of the Town of Corinth fire protection contract. Based upon assessment for the Town and Village, as provided by the Town Assessor's office, the cost of fire protection is \$1.06 per thousand dollars of assessment.

### **AD VALOREM:**

The amount needed for the sewer fund is \$40,000.00

WATER RENTS will not increase this year and will remain \$212 /year

SEWER RENTS, the base rate will not increase this year and will remain \$280.00/year
